Sarah [REDACTED] Sarah [REDACTED]

Wristbands at the State Fair cost \$7 each. How many wristbands can you buy for \$50?

14

I drew lines on the  
the lines and got 8 wristbands with 1 left. Then I counted

$07+07+07+07+07+07+07+07=8$

I played 7 + kept an going until  
to the closed number to 50. And then I got

Wristbands at the State Fair cost \$7 each. How many wristbands can you buy for \$50?

7

49 - 7 = 42

42 - 7 = 35

35 - 7 = 28

28 - 7 = 21

21 - 7 = 14

14 - 7 = 7

7 - 7 = 0

7
